Accident Investigation Training Manual Arnold Wheat

This training manual is part of an innovative training program, developed in conjunction with the North American Transportation Management Institute (NATMI). It provides critical information necessary for the advanced training of safety managers and truck drivers alike. Accident investigation training is provided through a seminar-based approach that addresses proper accident reporting and documentation procedures, as well as post-accident alcohol and controlled substance tests. The clearly demonstrated instruction allows learners to retain important concepts, while helping ensure that drivers and managers are in compliance with local, state, and national regulations. Coverage includes essential information to keep carrier insurance costs at a minimum.
