Brittany Lass Kimberly Bird

Brittany, of the House of Bruce, takes on the role of chieftain after her father's death, never expecting it to become so volatile and unpredictable. She is bound in the past to her clan by honor and blood, but her future lies with her enemy clan and their chieftain, Gordon Douglas. Gordon, of the House of Douglas, preferred to spend his time sailing to far off lands to trade in goods. He never thought he would find himself back in the Highlands rescuing a young woman repeatedly who had no business becoming the leader of her clan and his closest neighbor. He felt sorry for the man who got saddled with her, but the longer he told himself this the more he couldn't stay away. A passionate love that they believed was theirs for the taking would soon unravel even the strongest of hearts. A family death would soon pervade the land, forcing the two neighboring clans to become enemies once again. The only thing that could stop the senseless slaughter would be a human sacrifice to end the war.
