This third book in The New Style series offers a panoramic look at some of the most innovative cabin designs throughout the country. *Cabins: The New Style* is a collection of gateways for the modern isolationist. It includes many wonderful homes that range in size, have cutting-edge designs, and use sustainable materials while maintaining the warm feeling evoked by the traditional cabin.

A showcase of some of the most elegant and imaginative designs today, this book highlights how modern architectural elements can be integrated into a rustic landscape. With full-color illustrations throughout, *Cabins: The New Style* is a must-have for architects and cabin dwellers alike.
