Guatemala: Nunca esquives la ruda pelea . . . ! (Spanish Edition) Ph.D Mario V. Paz

Este libro nace de la necesidad de establecer una base ideológica, práctica y fundamental para incurrir en el arte de la guerra y la defensa personal. Esta necesidad es obligatoria impostergerable e ineludible para todo aquel que vive en un país que convulsiona en medio de la violencia organizada y que no se conforma con venir a ser parte de la sangrienta estadística del diario vivir al convertirse en una víctima casual del crimen. Se parte desde el punto de vista tomando como ejemplo a Guatemala sabiendo que su aplicación es igual de efectiva en cualquier otro país de Latino América. Así mismo, este es el libro de texto para el desarrollo del programa de doce pasos denominado "Desesperados Anónimos" y es de igual forma, la estructura teórica filosófica para la organización "La última línea de defensa" que es otra manera de identificar al ciudadano común y corriente. Es la condensación de décadas de análisis y estudios de la conducta humana en lo que a acción-reacción en torno a la violencia social se refiere. Es necesario que este libro sea leído, estudiado, asimilado y practicado por cada uno de aquellos que estén dispuestos incluso a la efusión de la vida a fin de asegurar un futuro de paz para su patria. Este es un tratado de principios, técnicas, prácticas y teorías para contrarrestar la escalonada del crimen organizado al margen de la ley que en la actualidad atraviesan los países del tercer mundo.
