Is Calvinism Biblical? Cooper P. Abrams

This book was written by an experienced pastor, church planter, and missionary. It is another example of Dr. Abram's candid, careful and correct examination of a false system of theology, Calvinism, in light of Bible truth. He has made what is sometimes confusing very understandable for the ordinary Christian who longs for Bible truth. Dr. Abrams includes key historical information about John Calvin himself which is both accurate and enlightening. He breaks down the teaching and claims of the Calvinistic system of theology and then examines key Bible passages that are often used to support Calvinism. You will read this book with great profit if you are searching for the plain Biblical truth concerning this subject.(see <http://bible-truth.org> Dr. Abrams website)
