Netscape Navigator may no longer be a household name, but its creator, Marc Andreessen, has been one of the most ahead of his time go-getters in technology. This illuminating biography introduces readers to a technological pioneer, whose ideas consistently and boldly wandered well outside the box, creating more and more innovative products. Readers will be inspired by Andreessens forward-thinking creations, including cloud-based technology as far back as the 1990s, and marvel at his bold, outspoken attitude on such social media platforms as Twitter.
