Part of the Grief Diaries series dedicated to offering comfort, company and hope in the aftermath of life's challenges and losses, *Grief Diaries: Loss of an Infant* is a collection of intimate and candid narrations from different writers about their journey through losing a child ranging in age from birth up to 24 months. In chapter one, each writer bravely penned the moment when their familiar lives disappeared along with their baby's last breath. The writers were then presented with intimate questions pertaining to their loss, and their responses are compiled within the individual chapters. These narrations are unabridged, as every voice is unique. But no matter the differences, the stories contained in each Grief Diaries book is a treasured reminder that none of us walk the journey alone. Welcome to the Grief Diaries village, where grief transcends all differences and unites us in the aftermath. Welcome, bereaved friend, to company, comfort and hope.
