## Shattered Into Being: A Beacon Shattering Into Being Anastacia Jayet

This poignant story tells of **personal tragedy and triumph**, of getting lost and **finding the internal compass** - one's own North Star - to take responsibility for creating a life of value and purpose. It acknowledges that a **lack of self-esteem and confidence is at the root of victimization** - that taking responsibility for personal choice and action brings empowerment - and that forgiving oneself, while releasing blame, **removes the final obstacles to freedom and eternal joy**.
