Zelah Green: One More Little Problem Vanessa Curtis

The second in the Zelah Green series of issue-driven, yet not heavy-handed books for young adults—Jodi Picoult for teens

"My name is Zelah Green—and I'm still here. Summer's supposed to be good, right? But I'm stuck at home with a lousy laptop, stacks of homework to start and dad being more useless than ever. And then Caro turns up out of the blue, all heavy metal and piercings and attitude and my boring summer's turned upside down. It's like she knows just what to say to wind me up, sending my OCD right out of control." The wonderful Zelah is back again and doing better, when her life begins to spiral a bit out of control again. How will she do, relying on help from her not-so-picture-perfect friends?
