College Algebra in Context, Books a la Carte Edition (4th Edition) Ronald J. Harshbarger, Lisa S. Yocco
This edition features the exact same content as the traditional book in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook.

College Algebra in Context, Fourth Edition is ideal for students majoring in business, social sciences, and life sciences. The authors use modeling, applications, and real-data problems to develop skills, giving students the practice they need to become adept problem solvers in their future courses and careers.

This revision maintains the authors' focus on applying math in the real world through updated real-data applications. Features such as **Group Activities** and **Extended Applications** promote collaborative learning, improve communication and research skills, and foster critical thinking.

This package contains:

- **College Algebra in Context, Fourth Edition**
