Faucet Fish

Fay Robinson

Faucet Fish Fay Robinson

Elizabeth loves fish, but she is only allowed to have a boring little guppy. Then one day a trout plops out of her bathroom faucet. Elizabeth can't believe her luck! Next a flounder wriggles out, followed by an eel and a triggerfish. Soon fishbowls fill the house, but it's not until a baby whale crashes into the kitchen that Elizabeth's distracted parents finally start listening to her. Wayne Anderson, illustrator of *The Tin Forest* and *The Dragon Machine*, has crafted surreal illustrations that brim with color and detail, bringing to life this quirky story about a fish wish that comes wildly, wonderfully true.
