## **I Heart You** Meg Fleming

This tender, rhyming picture book is a lively celebration of love.

Little ones adore being independent and trying new things. But they also need Mom and Dad's reassurance and snuggles. With her spare, lyrical text, debut author Meg Fleming captures the exuberance, the affection, and the tender push-and-pull of life with a child. And illustrator Sarah Jane Wright's evocative illustrations infuse the story with generous helpings of warmth and love.
