**A Minecraft bundle with 12 books about different Minecraft girls!**

Book 1: Angela started a journal. She mentions some interesting phenomena from the past that happened because of her secret superpower, but her most adventurous day turned out to be a life saver for her mother and a disaster for a trio of evil thugs.

Book 2: Nyx is a little different. She has purple hair, black clothes, and a gothic way of presenting herself. But underneath her seemingly rebellious attitude is a soft heart and a tender, caring young woman who works as a nurse, says no to drugs, and listens to old ladies in the hospital.

Book 3: Trish and Tracy seem to be two opposites. One of them likes fast, powerful stuff, while the other is more sensitive and detailed. They get along... most times; and they decided to keep the same journal together but not to read each others' entries.

Book 4: Martha doesn't consider herself the crème of the crop to the eligible young men in her neighborhood, but when somebody tells her she is a princess, her lifestyle and charisma change immediately. With that being said, it doesn't come easy for her to adjust to the habits and perfect her princess skills.

Book 5: They hate each other. They like each other. They love each other. They argue with each other... this Minecraft love book is about a couple that goes through the motions of a typical rollercoaster relationship.

Bethany and Russell work at the same company and do whatever it takes to get to the top.

Book 6: In this Minecraft world, Josh and Kimberley meet. They become best friends, and they work well together, but when one of them gets a crush on the other, their friendship is in danger. As time elapses, they have fun together, talk together, and share time in a school project, but when zombies attack the village, their faithful friendship is severely tested.

Book 7: Gloria has a way with the ghasts, and even though everyone in town assumed they were hostile and would attack you immediately, Gloria discovers otherwise. She heads to the forest and finds a group of fire spitting ghasts that are eager to involve her into their little community.

Book 8: When the villagers notice someone has been robbed, Violet is about to find out more about the case when she is confronted with a chase, a giant wolf when the full moon shows its shiny face, and an unexpected ending to the question of who has committed the crime. She loves wolves, but she cannot tolerate such acts.

Book 9: When Rana finds a funny hat and tries it on, she cannot believe what is happening to her. The hat grants her the power to do certain things frogs do, but in a better way. Not much later, she concludes that her powers give her the task and privilege to protect her fellow citizens, no matter how young she is.

Book 10: Jennifer is surrounded by guys at work. They brag and rub it in her face that she is cannot do the same things they can. But even though this brave young lady can't stand it and accepts their challenge to beat them in whatever they suggest, she quickly finds out that she can't do everything. However, she can do some things that her male colleagues are terrible at, and she is about to show them.

Book 11: When Regina suddenly becomes queen when she is still young, she is overwhelmed. Moreover, she is expected to marry a prince she rarely knows. She takes off on a journey with her annoying sister, Meredith, who complains the whole way and hopes to marry the prince herself. But when they are being attacked by skeletons, the trip takes a different turn.

Book 12: When Crystal gets rejected by several different boys because of her red hair and her awkward social skills, she is upset and runs away. Another boy, however, sees something good in her and pursues her into the woods. But when a creeper army is standing ready to attack the village, the people may not be able to get help anywhere else.
