**The Law of Torts In Australia** Kit Barker, Peter Cane, Mark Lunney, Francis Trindade

The aim of the fifth edition of *The Law of Torts in Australia*, like that of the previous four, is to provide a distinctively Australian account of the most important parts of tort law, primarily for use by students. This edition is the most comprehensive offering; it goes into more depth than other texts, and explores motivations and complexities behind the principles of tort law, whilst challenging students to think critically about the law.
