What happens after we die?

Mankind has speculated through the ages that a few righteous or lucky people go straight to heaven. Or so we've come to believe. Good or bad, our journey doesn't end at death. For most of us, the afterlife begins in an office where an overworked and underappreciated demon decides our long term fate. Life is messy, it's easy to miss one of the crucial lessons. In order to accommodate our unique shortcomings, a myriad of custom fitted Hells wait with open arms to teach us. No clichE fire and brimstone here, except as decorations. Besides, that would be the easy way out. Yes, there is a way out. All you have to do is learn one simple lesson. That shouldn't be too hard, right?

Windows into Hell explores what awaits a few people when their life inevitably comes to an end. Featuring bestselling and award winning authors, these stories delve into humanity's greatest fears- death and the fate of our immortal souls.
