The levels are set by a computer program, so they are always objective and the same.

5. No repeating puzzles.

The puzzles you see in this book are not published in any other non Polish language book. They were only published in our Polish monthly magazines available in Polish press stores or in online store at our website.

6. We publish puzzles since 2004 - we know well what puzzlers like.

7. If you have problems with solving a puzzle send it to us and we will show you a next step.
