## Epileptic David B.

Hailed by The Comics Journal as one of Europe's most important and innovative comics artists, David B. has created a masterpiece in *Epileptic*, his stunning and emotionally resonant autobiography about growing up with an epileptic brother. *Epileptic* gathers together and makes available in English for the first time all six volumes of the internationally acclaimed graphic work.

David B. was born Pierre-François Beauchard in a small town near Orléans, France. He spent an idyllic early childhood playing with the neighborhood kids and, along with his older brother, Jean-Christophe, ganging up on his little sister, Florence. But their lives changed abruptly when Jean-Christophe was struck with epilepsy at age eleven. In search of a cure, their parents dragged the family to acupuncturists and magnetic therapists, to mediums and macrobiotic communes. But every new cure ended in disappointment as Jean-Christophe, after brief periods of remission, would only get worse.

Angry at his brother for abandoning him and at all the quacks who offered them false hope, Pierre-François learned to cope by drawing fantastically elaborate battle scenes, creating images that provide a fascinating window into his interior life. An honest and horrifying portrait of the disease and of the pain and fear it sowed in the family, *Epileptic* is also a moving depiction of one family's intricate history. Through flashbacks, we are introduced to the stories of Pierre-François's grandparents and we relive his grandfathers' experiences in both World Wars. We follow Pierre-François through his childhood, adolescence, and adulthood, all the while charting his complicated relationship with his brother and Jean-Christophe's losing battle with epilepsy. Illustrated with beautiful and striking black-and-white images, *Epileptic* is as astonishing, intimate, and heartbreakingly moving as the best literary memoir.
