(Music Minus One). Any album that pays homage to the music associated with the "Chairman of the Board" must be carefully designed, for Frank Sinatra is a one-of-a-kind icon leaving his mark on American culture and history. Glenn Zottola's Alto/Sinatra does exactly that, performing the music of Sinatra in an instrumental album where by "singing through the horn," Zottola becomes Sinatra through his alto saxophone voice. This pack includes a high-quality, newly engraved printed edition of the solo part and a compact disc containing the complete performance of each piece in digital stereo, followed by a second digital stereo version minus the soloist.
