The explosive truth about America's Revolution—a bloody civil war that was won largely in the South—that modern liberals have kept buried until now.

By burning the bibles of backwoodsmen and threatening their honor, the British ignited a firestorm. Ordinary folk from throughout the Southern colonies spontaneously banded together and rode for hundreds of miles to King's Mountain in South Carolina to attack and destroy the British forces in the most spectacular, unusual and decisive battle of the war.

Never heard of the massacre that saved the American Revolution? No idea that liberty was actually won in the South? Red state values of God, guns and guts are being dismantled by leftists airbrushing our past in order to “transform” our future. Grand Theft History features
