## **Someday** Alison McGhee

Alison McGhee and Peter H. Reynolds's #1 *New York Times* bestselling and beloved story of a mother's love and dreams for her child is now available in a beautiful keepsake edition.

*One day I counted your fingers and kissed each one...  
Sometimes, when you sleep, I watch you dream, and I dream too—  
That someday you will dive into the cool clear water of a lake...  
Someday I will watch you brushing your child's hair...  
Someday...*

A deceptively simple, powerful ode to the potential of love and the potential in life, *Someday* is the story of what every mother wishes for her child: a chance to live life at its fullest—to experience great joys, to stretch, to grow, to understand sorrow, to have a future...to have a someday. This shimmering, achingly beautiful, and poignant tale—created by two great talents—takes this idea and turns it into something that will touch every reader. *Someday*, now available in a gorgeous keepsake edition, is a story you'll want to share with a special someone today and every day.
