**The Snow Tiger / Night of Error** Desmond Bagley

Double action thrillers by the classic adventure writer set in New Zealand and the Pacific.

## THE SNOW TIGER

Fifty-four people died in the avalanche that ripped apart a small New Zealand mining town. But the enquiry which follows unleashes more destructive power than the snowfall. As the survivors tell their stories, they reveal a community so divided that all warnings of danger went unheeded. At the centre of the storm is Ian Ballard, whose life depends upon being able to clear his name...

## NIGHT OF ERROR

When Mark Trevelyan dies on a journey to a remote Pacific atoll, the verdict that it was natural causes doesn't convince his brother, Mike. The series of violent attacks that follows only adds to his suspicions. Just two clues - a notebook in code and a lump of rock - are enough to trigger off a hazardous expedition, and a violent confrontation far from civilization...

Includes a unique bonus - Desmond Bagley's personal account of the writing of Snow Tiger.
