If you stopped anyone on the street and asked them to name their top three wishes, money would always be on the list. People kill for it and obsess over it. In **ASTROLOGY & MONEY: WHAT'S YOUR WEALTH QUOTIENT?** the author delves into the fascinating subject of money from a totally new perspective.

The first part of the book examines the traditional astrological indicators of wealth. You are invited to take the Wealth Quotient test and compare your score to those of wealthy individuals. Tips are given on how to improve a low Wealth Quotient, and reasons are also suggested as to why someone with a high Wealth Quotient is not financially where he or she would like to be.

Part Two of the book takes a spiritual and metaphysical approach to money, and attempts to answer the question of what money really is, and how astrology relates to the answer. You will look at the history of money, and its meaning as represented down the ages in mythology, folklore and the Bible. Finally, you will be invited to take a new Wealth Quotient test, based upon what you have learned.

ASTROLOGY & MONEY: WHAT'S YOUR WEALTH QUOTIENT? takes a fresh look at an old subject. Once you have read it, your thoughts about and your relationship to money will be changed forever.
