## Classic Queen Mick Rock

**The definitive collection of Mick Rock's photographs?both intimate and iconic?portraying one of the world's greatest rock bands at the zenith of their fame**

The early 1970s were a time of experimentation and excess, glitter and glam. Mick Rock was fast establishing his reputation as the inimitable glam rock photographer?having shot Bowie, Iggy Pop, and Lou Reed?when he met the new and largely unknown group, Queen. He first photographed the band in November 1973 at their breakthrough gig at Imperial College, London, beginning a collaboration that lasted through the mid-1970s as Queen rocketed to fame, and resulted in a wealth of defining images.

From his vast archive, Mick Rock has selected over 250 exceptional images?from the iconic album cover shoots for Queen II and Sheer Heart Attack to live performances, as well as unseen outtakes, test Polaroids and informal shots of the band members at home, in the studio and backstage. This was an extraordinary era in rock history and 'The Man Who Shot The Seventies' offers a privileged insight. *Classic Queen* is the perfect portrait of one of the world's greatest rock bands at a pivotal time in their career.

260 color and b&w images

### From reader reviews:

#### Jeremy Smith:

Do you have favorite book? When you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each guide has different aim or perhaps goal; it means that book has different type. Some people experience enjoy to spend their time and energy to read a book. They are really reading whatever they have because their hobby will be reading a book. How about the person who don't like reading through a book? Sometime, person feel need book when they found difficult problem or even exercise. Well, probably you will require this Classic Queen.

#### Jackson Ponce:

The reason? Because this Classic Queen is an unordinary book that the inside of the publication waiting for you to snap it but latter it will zap you with the secret this inside. Reading this book next to it was fantastic author who all write the book in such wonderful way makes the content inside easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of benefits than the other book possess such as help improving your ability and your critical thinking approach. So , still want to postpone having that book? If I ended up you I will go to the book store hurriedly.

#### Eva Velasco:

Can you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you never know the inside because don't evaluate book by its include may doesn't work at this point is difficult job because you are scared that the inside maybe not as fantastic as in the outside seem likes. Maybe you answer may be Classic Queen why because the excellent cover that make you consider concerning the content will not disappoint an individual. The inside or content is definitely fantastic as the outside or cover. Your reading 6th sense will directly assist you to pick up this book.

#### Jacob Florence:

Many people spending their time frame by playing outside along with friends, fun activity having family or just watching TV all day every day. You can have new activity to shell out your whole day by examining a book. Ugh, think reading a book can actually hard because you have to use the book everywhere? It all right you can have the e-book, having everywhere you want in your Cell phone. Like Classic Queen which is having the e-book version. So , why not try out this book? Let's find.
