From forty-five talented and prolific DreamWorks Studio Art Directors, Character Designers, Production Designers and Visual Development Artists comes the first title of its kind in which an Animation studio creates a book showcasing the art work that its artists create for the sake of creation.

Moonshine features artwork that is made during the precious little time of day when the contributors are not working on stunning upcoming movies such as *Puss in Boots*, *The Croods*, *Kung Fu Panda: The Kaboom of Doom*, *Megamind*, *Guardians*, *Scared Shrekless* and *Kung Fu Panda Holiday*; these artists amaze us with their individualistically styled images that they create after dark at DreamWorks Studios.
