pocket money: a book about random acts of kindness Kaye Llewelyn

A lyrical story told without words, quietly powerful with its original rich painted images, Pocket money is a story about random acts of kindness, synchronicity and serendipity. A boy walks out, he's new in town, he doesn't speak the language. Turns out he doesn't need to because his smallest kind action speaks louder than words, and it unfolds a chain reaction of simply valuable, pay it forward moments. It will make anyone smile; this book speaks to the young at heart no matter their age. Opening curiosity, it's a conversation waiting to be started . . .
