Simon remembers every act of sin ever confessed to him. Pavel forgets what he has just played and rehearses the same melody over and over. Unable to recall faces, Veronika uses different perfumes to remember the ones she loves. *The Book of Memory Gaps* is a collection of darkly humorous mini-stories that examine our curious and capricious unconscious. With concise, lyrical prose and a discerning command of color, Cecilia Ruiz captures the delicate and fleeting nature of memory, as well as its immense power—after all, who would we be without it?
