## **The Flawed Mistress (Holy Poison) (Volume 2)** Margaret Brazear

HOLY POISON is a series of historical romances concerning the ordinary people who lived through the religious upheaval brought about by Mary Tudor's determination to return England to the Catholic Church. Previously published as Book Two of the Summerville Journals, this is a revised version of the story. Lady Rachel Stewart is a stunningly beautiful woman, but that beauty has always been a burden to her and because of a horrific childhood experience, she resents any attention from any man. Forced to marry in order to survive, her beauty and poverty make her a target for exploitation until she meets Lord Richard Summerville, and cannot believe that here is a man who wants nothing from her, whose only wish is to befriend and protect her. In order to keep her safe, he lets it be known that she is his mistress and under his protection. When he marries, he insists that he maintains his relationship with Rachel, to which his new bride agrees, until she falls in love with him and starts to resent this beautiful woman who will eventually take her place at her husband's side at the court of Queen Mary I, whose persecution of protestants has given her the nickname of Bloody Mary. Rachel is prepared to face a possible charge of treason in order to repay Lord Summerville for his friendship, while his wife, Bethany, is allowed to believe that he risks the same for love of another woman. This is the real story of Rachel, who appears as the other woman in the First Book of Holy Poison, the Judas Pledge. Holy Poison is a series set in the time of religious upheaval which was the Reformation of the Church in England.

### **From reader reviews:**

#### **Elnora Perry:**

Book is written, printed, or created for everything. You can learn everything you want by a publication. Book has a different type. As it is known to us that book is important point to bring us around the world. Next to that you can your reading talent was fluently. A reserve The Flawed Mistress (Holy Poison) (Volume 2) will make you to possibly be smarter. You can feel considerably more confidence if you can know about every little thing. But some of you think this open or reading a new book make you bored. It is far from make you fun. Why they are often thought like that? Have you looking for best book or acceptable book with you?

#### **William Prentice:**

Reading a book tends to be new life style on this era globalization. With reading you can get a lot of information that can give you benefit in your life. Using book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or their experience. Not only situation that share in the guides. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some investigation before they write to their book. One of them is this The Flawed Mistress (Holy Poison) (Volume 2).

#### **Thomas Baxter:**

In this particular era which is the greater individual or who has ability to do something more are more special than other. Do you want to become certainly one of it? It is just simple solution to have that. What you need to do is just spending your time little but quite enough to experience a look at some books. One of many books in the top checklist in your reading list is actually The Flawed Mistress (Holy Poison) (Volume 2). This book that is certainly qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking right up and review this e-book you can get many advantages.

#### **Valarie Chamberlin:**

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Flawed Mistress (Holy Poison) (Volume 2) can make you sense more interested to read.
