Where did the Islamic State of Iraq and Syria (ISIS) come from? How did this terrorist group go from an unknown phantom to seizing vast stretches of territory in Syria and Iraq in less than a year? Who is sponsoring ISIS and for what purpose? In a series of hard-hitting articles, Canadian writer Brandon Martinez uncovers the hidden hand of Israel and the West behind the meteoric rise of ISIS and the underlying Zionist destabilization agenda that it serves. Martinez cuts through mainstream media hype and disinformation which seeks to confound the masses about ISIS's true origins as well as whitewash the critical role of the United States, Saudi Arabia and Israel in spawning the Takfiri militants who have besieged both Iraq and Syria. Martinez traces the roots of the conspiracy back to Israel's Oded Yinon plan which aims to fracture and balkanize the Middle East.
