Television reporter Garner Davis of WCAE, a network affiliate in Columbia, South Carolina, is a survivor. He is passionate and skillful. He impresses his viewers with his tough questions and breaking news. Somehow, he doesn't ask the same questions when it comes to his choice of friends, acquaintances, and women . . .

Vernise Aikens, a federal law enforcement officer, is a fan of Garner's and she lets him know about it. Intrigued, Garner meets her on a lunch date and she wows him with her wit, beauty, and sensuality . . .

There is an inner voice that speaks to us if someone we meet has good intentions, let alone our best interests at heart. The question is whether we will listen and, if not, what are the consequences?
