A Treatise the Legal Remedies of Mandamus and Prohibition, Habeas Corpus, Certiorari Qu and Warranto (Classic Reprint) Horace G. Wood

In this volume the author has sought to delineate the principles governing the courts in administering relief by the Legal Remedies of Mandamus and Prohibition, Habeas Corpus, Certiorari and Quo Warranto. In the prosecution of this object, his labors have covered a field jvhhi as hitherto been but partially explored. It has been his aim to set forth the results of the most reliable English and American Decisions on the several subjects treated upon which have been gathered in many months of careful study and research of the cases which are referred to, under the different heads. In cases where the former New York Code is referred to the corresponding sections of the New Code are given. Where no reference to the New Code is given, it may be understood that the present Code makes no changes in the sections referred to in the old. Albany, N. Y., April 20, 1880.
