Eastern Great Lakes Lighthouses: Ontario, Erie, And Huron (Lighthouse Series) Ray Jones

Eastern Great Lakes Lighthouses combines the fascinating history and lore of lighthouses with stunning color and black-and-white photographs. The stories of the most significant lighthouses on Lakes Ontario, Erie, and Huron--on both the American and Canadian sides--come alive in the stirring profiles and photos contained in these pages.

Descriptions of forty-three *[count may change]* lighthouses, including eighteen **[count may change]** on the Canadian side of the lakes, contain directions to the lights and details on visiting them. Together with striking photographs and regional locator maps, they complete this comprehensive examination of memorable Great Lakes landmarks.

The Photo Information section discloses how photographer Bruce Roberts took many of the shots appearing in the book.
