Indoctrination Michael Moreci

How do you kill an idea? Across the dusty plains of America's southwest, a deadly storm is brewing. A string of murders portend the sinister designs of an infamous terrorist to bring about the end times. Two FBI agents have heeded the signs, and only their rogue actions, aided by a potentially untrustworthy expatriate with deep ties to the terrorist, can push this darkness back. Indoctrination explores America's terrifying underbelly-of death cults and sleeper cells, serial killers and apocalyptic nightmares.

From award winning writer Michael Moreci and artist Matthew Battaglia comes an twisted look at our present day extremists.
