## Rebel Youth: Karlheinz Weinberger

This first-of-its-kind collection presents photographer Karlheinz Weinberger's influential portraits of rebel youth of the sixties. While Karlheinz Weinberger is known as a pioneer of male erotic imagery, the Swiss amateur photographer also left an indelible mark on the fashion world with his decades-long documenting of vibrant rebel youth culture. These working-class teenagers created looks that fused iconic American pop culture imagery—biker jackets, denim jeans, bouffant hairdos, James Dean insouciance—with their own idiosyncratic sensibilities. From the late 1950s through the '60s, Weinberger captured the defiant glamour of these youths with a keen eye for their provocative handmade designs. Inspired by the rebel youth's pop playfulness and fierce individuality, a legion of contemporary fashion-industry leaders have been profoundly influenced by the photographs collected in this stunning volume.
