## **Dangerous: An Intimate Journey into the Heart of Boxing** Ian Probert

A quarter of a century ago journalist and author Ian Probert decided never to write about boxing again, a decision prompted by the injuries sustained by boxer Michael Watson during his world title fight with Chris Eubank. Now, in common with so many fighters, Probert is making an inevitable comeback. Here, in the course of numerous meetings with a number of leading figures in the fight game, including Herol Graham, Steve Collins, Michael Watson, Nigel Benn, Ambrose Mendy, Rod Douglas, Frank Buglioni, Kellie Maloney, Glen McCrory and Jim McDonnell among others, Probert takes a look at how lives have changed during the time he has been away from the sport. From an illuminating and honest encounter with transgender fight manager Kellie Maloney to an emotional reunion with Watson himself, the result is one of the most fascinating and unusual books ever to have been written about boxing.
