#### **Charles Melendez:**

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Dictionary of American Slang can make you truly feel more interested to read.
