USA TODAY BESTSELLING AUTHOR Ka'Lee is looking for a new direction for her career. She enjoys her job as a therapist, but feels as if her life has become complacent sitting in her office everyday providing couples counseling sessions. For months, she has been looking for a new challenge. When she learns of an opportunity at a local radio station, it's just what she needs to take her career in a new direction. One of Landon Kane's stations show is being nationally syndicated. The only problem is the broadcaster backing it demands Landon step up his night time program. Goodbye, Lover's Lullaby, Hello, Talkin' Sexy. But where in the hell is he going to find a competent and reputable sex expert to host the 'no-holds-barred' night time show. When sexy, conservative and professional Ka'Lee Mi Amerie walks into his office applying for the job, he knows she'd be perfect. After a few on air stumbles it doesn't take long before Landon discovers that even though Ka'Lee is highly competent in her field, her knowledge in practical application of the art of sex is lacking. The financial backer wants her fired. However, Landon believes that if Ka'Lee broadens her experience and learns how to release her own sensuality then the ratings will sky rocket. Not one to avoid his responsibilities, Landon knows he's just the man for the job. When the passion they both agreed on becomes a love they couldn't imagine can it triumph over betrayals they never saw coming?
