Life Insurance in a Nutshell What You Really Need to Know About Life Insurance

Howard Wight

Most people insure their home, car, and other valuables without a second thought. They often underinsure their most valuable asset . . . their income, which makes everything else possible. The First Law of Insurance is to insure first that which you can least afford to lose . . . your income, your health, and your life. The purpose of this book is to demystify life insurance and make it user-friendly. After reading this book, you will be able to make smart, informed decisions regarding your life insurance program.
