## **Riley's Vegetable Garden: Count to Tell the Number of Objects (Rosen Common Core Math Readers: Level A) Olivia Kroll**

Skills dealing with counting and cardinality provide essential foundations for beginning math students. Readers learn important topics, such as counting from 1 to 10, comparing numbers, answering how many? questions, counting by 10s, and writing numbers. Each topic is explained in detail using accessible text and colorful images to help readers independently explore these core math concepts. Readers explore Riley's garden as they develop important counting skills in this volume, which reflects the Common Core State Standards for Mathematics. Standard K.CC.B.5 is addressed in detail throughout this volume.
