The Biography of Goddess Inanna; Indomitable Queen of Heaven, Earth and Almost Everything

When stars were many and people few, a great story was told everywhere. The first storytellers were women. Their story was so large it filled the universe -- it told of a Great Mother encompassing life, death and return of everything. When Neolithic farming people settled, and depended on plentiful crops and herds, a goddess of fertility stepped into stardom. Inanna is the Sumerian goddess of love, crescent moon, evening star, fertility and renewal. She is the longest lasting supreme goddess of the Ancient Near East.

Inanna's biography includes her rise to supreme holder of almost all the powers of culture and civilization. 5000 year old poems bring Inanna to life. She sings to her miraculous vulva and to her consort-lover; she struggles to keep her powers and complains of her losses and demotions. Inanna represents life's powerful contradictions. She changes peace to war and back again; she causes strife and brings love; she turns women into men and men into women. Inanna loves all her people, every one.

A biography must have adversity and Inanna has plenty; she must always conquer of the ever-rising tide of patriarchal domination in all its forms. Buried and forgotten for two millennia, she now steps from the dust, ties up her sandals, applies her kohl, adjusts her tiara, summons her lions, and returns. Her story is also woman's story. Let me introduce you to Inanna, Queen of Heaven, Earth, and almost everything
