Decisions, decisions . . . You've survived your first semester and captured the interest of not one but two of the hottest guys on campus.

Now who are you going to choose?

Callie Andrews returns for her second semester at Harvard determined to do better than the previous fall, where those Bs on her report card seemed pretty good compared to the state of her extracurriculars (F, as in if at first you don't succeed, you should probably stop trying), friendships (C-minus, since she and former BFF Vanessa are still on thin ice), and love life (D, as in don't even go there). But various campus rivalries soon threaten to thwart Callie's resolve. Will Callie ever be a match for—

Grace Lee  
the take-no-prisoners managing editor

Alessandra  
the gorgeous transfer student

Clint  
the guy who might just be too perfect

and Gregory  
the guy who may never be perfect enough.

Callie will face some of the toughest choices imaginable: in friendships, in loyalties, and in love. The pressure to pick a side—and a suitor—has never been higher. But will she and her friends choose well?
