The Divine world has always heard human beings and spoken to them in numerous ways, be it through the language of nature, the happenings in life, communication in the secrecy of one's heart, or the Teaching of the Masters. Through the great Essene method of the Circle of the Archangels, the Divine world can once again enter into a relationship, and enable all beings who awaken to build a world of Light in harmony with the laws of the universe. "Relationship, interaction is a fundamental base for man to heal himself. If healing is not possible, man will not be able to evolve in a healthy and harmonious way anymore," says Archangel Gabriel in his third psalm. The messages of Archangel Gabriel touch upon all the aspects of life as we live it today. These psalms are read and meditated morning and night by the Essenes.
