The End of ISIS is near!: ISIS in Bible Prophecy (High Time to Awake) (Volume 7) Craig C. White
ISIS has declared itself as the head of a new Islamic Caliphate. A Caliphate is a Muslim empire ruled by one person. A Caliph is the political and religious ruler of an Islamic empire.

Judging from bible prophecy it seems that Islam will succeed in growing its new Caliphate but I don't think that ISIS will remain as its head. I think that ISIS' major role in end time bible prophecy is to slaughter its own countrymen in the Nineveh Province of northern Iraq and then to be destroyed by a flood and its neighbors.

What is really going on in the world? Will Al-Qaeda take Baghdad? Is all the fighting in the Middle East related? Why is Russia creating a Union? Has Egypt seen the last of the Muslim Brotherhood? What is the Pope up to? Will the Turkey-Israeli reconciliation agreement have a seven year term?

Where is all of this headed? Here is a collection of diverse bible prophecy commentaries that answer these questions!

The sun has been shining high in the sky since Jesus Christ was on earth 2000 years ago. The light of Jesus Christ's gospel has been shining! God's people have had the opportunity to preach God's word to every nation. My friends the sun is now low in the dusk sky. It's bed time! The night comes, when no man can work (John 9:4). It is High Time to Awake, and also to repent, to believe, to be resurrected, and to be caught up into heaven to meet Jesus!
