**Looking For America's Dog** Steven Weissman

**This surreal sequel collects comics about Sasha and Malia Obama's search for Bo.**

In this surreal graphic novel, Vice President Joe Biden left the gate open at the White House and America's Dog (Bo) has gone missing. Mom is mad and Dad is busy, so now it's up to the kids to find him. Teenagers Sasha and Malia navigate an increasingly strange and hostile world in search of their lost dog. But is a lost dog ever really just a lost dog? Like, what if it's not America's Dog that's lost, but America itself? Full-color illustrations throughout
