The twins, his younger brothers Josh and Colt, are so identical most people don't even bother to tell them apart, but Connie has always seen them as individuals. To Colt, she's a kindred spirit, another restless soul-to Josh, the answer to every prayer he's ever whispered. After a passion-filled night in a snow-locked cabin, Connie must reevaluate her relationship with all three Preston brothers. Painful memories hold her back from embracing the love and passion the Prestons are offering her, but her son and the Lazy J come first in her life. When both of those are threatened, she must turn to the three men who love her to help her save them, and yet another man must realize that Connie Jamieson is nobody's prey. Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
