Following the success of Haynes's In Camera titles covering sports car racing and Formula 1 in the 1960s and 1970s, the spotlight is turned on the 1950s, starting with the vibrant sports car scene of that decade. Meticulously researched and rare photographs – over half of them in color – are brought to life through the author's well-observed and atmospheric commentary to create a visually stunning and highly nostalgic record of this dramatic decade. Sports Car Racing in Camera 1950–59 will appeal not only to motor racing enthusiasts but also to anyone interested in the racing history of sports car manufacturers.
