The Society of Steam Book Two: Hearts of Smoke and Steam Andrew P. Mayer
Superheroes and steampunk come together in 19th century New York.

Sir Dennis Darby has been murdered, the Automaton has been destroyed, and Sarah Stanton has turned her back on a life of privilege and comfort to try and find her way in the unforgiving streets of New York. But Lord Eschaton, the villain behind all these events, isn't finished with her yet. His plans to bring his apocalyptic vision of the future to the world are moving forward, but to complete his scheme he needs the clockwork heart that Sarah still holds.

But she has her own plans for the Automaton's clockwork heart--Sarah is trying to rebuild her mechanical friend, and when she is attacked by the Children of Eschaton, the man who comes to her rescue may be the one to make her dreams come true. Emelio Armando is a genius inventor who had hoped to leave his troubles behind when he and his sister left Italy for a life of anonymity in the New World. Now he finds himself falling in love with the fallen society girl, but he is rapidly discovering just how powerful the forces of villainy aligned against her are, and that fulfilling her desires means opening the door to a world of danger that could destroy everything he has built.

The Society of Steam takes place in a Victorian New York powered by the discovery of Fortified Steam, a substance that allows ordinary men to wield extraordinary abilities and grants powers that can corrupt gentlemen of great moral strength. The secret behind this amazing substance is something that wicked brutes will gladly kill for, and one that Sarah must try and protect, no matter what the cost.

From reader reviews:

Crystal Sanchez:

As people who live in often the modest era should be change about what going on or info even knowledge to make these keep up with the era that is always change and progress. Some of you maybe will update themselves by reading through books. It is a good choice for you personally but the problems coming to an individual is you don't know which you should start with. This The Society of Steam Book Two: Hearts of Smoke and Steam is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

David McMillian:

Often the book The Society of Steam Book Two: Hearts of Smoke and Steam will bring you to the new experience of reading a book. The author style to describe the idea is very unique. Should you try to find new book to see, this book very acceptable to you. The book The Society of Steam Book Two: Hearts of Smoke and Steam is much recommended to you to study. You can also get the e-book from the official web site, so you can quickly to read the book.

Michael Hilton:

This The Society of Steam Book Two: Hearts of Smoke and Steam is great book for you because the content that is certainly full of information for you who also always deal with world and have to make decision every minute. This particular book reveal it data accurately using great plan word or we can say no rambling sentences included. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with wonderful delivering sentences. Having The Society of Steam Book Two: Hearts of Smoke and Steam in your hand like keeping the world in your arm, details in it is not ridiculous just one. We can say that no reserve that offer you world inside ten or fifteen small right but this reserve already do that. So , this can be good reading book. Heya Mr. and Mrs. stressful do you still doubt this?

Chad Steinberger:

Many people spending their time by playing outside along with friends, fun activity along with family or just watching TV all day every day. You can have new activity to invest your whole day by looking at a book. Ugh, do you think reading a book can definitely hard because you have to take the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Mobile phone. Like The Society of Steam Book Two: Hearts of Smoke and Steam which is having the e-book version. So , why not try out this book? Let's find.
