Direct Connection Judith S. Miller

In *Direct Connection: Transformation of Consciousness*, Dr. Miller integrates her acquired knowledge and understanding of the mystical into an innovative therapeutic approach that redefines the concepts of mental health and mental illness. This provocative text relates the intimate story of the author's search for meaning in her own life that led to her exciting breakthrough in the treatment of mental illness. Dr. Miller challenges the medical establishment to re-examine the way in which it perceives human nature. Is a schizophrenic religious delusion a symptom of disease, or an actual spiritual experience? Dr. Miller encourages us to be open to all possibilities in this illuminating and dynamic book.
