Riding the Snake Stephen J. Cannell

Sweeping from the exclusive golf clubs of Brentwood to the depths of Hong Kong's mysterious walled city, *Riding the Snake* is a thriller torn straight from the headlines. It's set in a deadly Asian underworld where terrorism, international influence peddling, and illegal immigration converge into a single sinister web with a heartless Chinese crime lord at its center.

To prankster/L.A. playboy Wheeler Cassidy, things look a little bleak. His trust land is dwindling, his good looks are dissolving into the daiquiris, and his life has no direction -- until his golden-boy younger brother, a prominent lawyer and political power broker, is found mysteriously dead. Wheeler joins forces with the beautiful Tanisha Williams, an L.A. cop from South Central who's been parked on the Asian Crimes Task Force while Internal Affairs investigates her career. Together they embark on a dangerous quest for the truth -- against deadly odds.

Tentatively at first, then with growing confidence and passion, the two follow their leads into a labyrinth of violent intrigue and a multibillion-dollar Chinese criminal conspiracy that reaches to the top of the U.S. government. Soon they find themselves up against the most ruthless Triad leader, the Washington Establishment, and violent L.A. gangsters. As *Riding the Snake* races to a riveting climax in the sewers beneath Los Angeles International Airport, you can almost hear it ominously ticking down -- like the suitcase nuke that's set to incinerate a big chunk of Southern California.

From reader reviews:

Daryl Steele:

The reason? Because this Riding the Snake is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will zap you with the secret the item inside. Reading this book next to it was fantastic author who have write the book in such wonderful way makes the content within easier to understand, entertaining means but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This unique book will give you a lot of rewards than the other book have such as help improving your proficiency and your critical thinking approach. So , still want to postpone having that book? If I were being you I will go to the e-book store hurriedly.

Audrey Spence:

Riding the Snake can be one of your beginner books that are good idea. Most of us recommend that straight away because this reserve has good vocabulary which could increase your knowledge in words, easy to understand, bit entertaining but delivering the information. The article author giving his/her effort to put every word into pleasure arrangement in writing Riding the Snake yet doesn't forget the main level, giving the reader the hottest along with based confirm resource details that maybe you can be one of it. This great information can drawn you into completely new stage of crucial considering.

Claire Davis:

This Riding the Snake is great guide for you because the content and that is full of information for you who also always deal with world and still have to make decision every minute. This specific book reveal it info accurately using great plan word or we can claim no rambling sentences in it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but difficult core information with beautiful delivering sentences. Having Riding the Snake in your hand like keeping the world in your arm, information in it is not ridiculous one. We can say that no e-book that offer you world inside ten or fifteen second right but this reserve already do that. So , this is good reading book. Hello Mr. and Mrs. occupied do you still doubt that will?

Kelly Edge:

Guide is one of source of understanding. We can add our information from it. Not only for students but native or citizen require book to know the up-date information of year to be able to year. As we know those publications have many advantages. Beside many of us add our knowledge, can also bring us to around the world. By book Riding the Snake we can take more advantage. Don't that you be creative people? For being creative person must choose to read a book. Just choose the best book that suitable with your aim. Don't become doubt to change your life by this book Riding the Snake. You can more pleasing than now.
