## **Tales of the Hasidim (The Early Masters / The Later Masters) Martin Buber**

This new paperback edition brings together volumes one and two of Buber's classic work *Tales of the Hasidim*, with a new foreword by Chaim Potok. Martin Buber devoted forty years of his life to collecting and retelling the legends of Hasidim. "Nowhere in the last centuries," wrote Buber in *Hasidim and Modern Man*, "has the soul-force of Judaism so manifested itself as in Hasidim... Without an iota being altered in the law, in the ritual, in the traditional life-norms, the long-accustomed arose in a fresh light and meaning."

These marvelous tales—terse, vigorous, often cryptic—are the true texts of Hasidim. The hasidic masters, of whom these tales are told, are full-bodied personalities, yet their lives seem almost symbolic. Through them is expressed the intensity and holy joy whereby God becomes visible in everything.
