Arctic Fox: Life at the Top of the World Garry Hamilton

Curious, innovative and mysterious survivors of the arctic tundra.

Ever since explorers began venturing north into the harsh lands of the arctic, they have encountered arctic foxes in the unlikeliest of places. The arctic fox is an extraordinary creature. No bigger than a house cat, it survives on almost nothing in the middle of a land so hostile it seems incompatible with the very existence of life. The tundra is a place of endless days or endless nights where temperatures can reach -58°F (-50°C) for weeks at a time, and where the terrain consists mostly of ice sheets, pack ice, ice floes, icebergs, ice shelves and glaciers.

Arctic Fox tells the story of this animal from its evolutionary beginnings to its difficult life in the far north involving:

- Mating and raising a family
- Hunting and scavenging
- Its relationship with the polar bear and other arctic inhabitants
- The fur trade
- Adaptation to seasonal changes
- The never-ending struggle for survival in a fragile and vanishing environment.

This informative, lively and beautifully photographed book will fascinate naturalists and general readers.

From reader reviews:

Willie Long:

Have you spare time for the day? What do you do when you have more or little spare time? Yes, you can choose the suitable activity with regard to spend your time. Any person spent all their spare time to take a move, shopping, or went to typically the Mall. How about open as well as read a book entitled Arctic Fox: Life at the Top of the World? Maybe it is to become best activity for you. You already know beside you can spend your time together with your favorite's book, you can wiser than before. Do you agree with the opinion or you have various other opinion?

Nichelle Shive:

What do you concentrate on book? It is just for students since they're still students or the idea for all people in the world, exactly what the best subject for that? Merely you can be answered for that issue above. Every person has various personality and hobby per other. Don't to be forced someone or something that they don't would like do that. You must know how great along with important the book Arctic Fox: Life at the Top of the World. All type of book could you see on many methods. You can look for the internet methods or other social media.

Jesse Kennedy:

Precisely why? Because this Arctic Fox: Life at the Top of the World is an unordinary book that the inside of the publication waiting for you to snap it but latter it will jolt you with the secret this inside. Reading this book alongside it was fantastic author who write the book in such awesome way makes the content inside easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this anymore or you going to regret it. This book will give you a lot of benefits than the other book have such as help improving your expertise and your critical thinking means. So , still want to hold up having that book? If I were you I will go to the book store hurriedly.

Mary May:

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Arctic Fox: Life at the Top of the World can make you truly feel more interested to read.
